

AVALL COMPLETE

AVALL

AVALL COMPLETE is the leading AV/VC solution from CBS. With enhanced media storage as standard, it comes pre-assembled and meets most single screen applications, it can also be used for mobile or static installations.

AVALL COMPLETE contains the following:

- Rack mounted media storage facility
- Universal camera mount for camera positioning above and below the screens
- Universal codec mount
- Additional cable management brackets
- Flat screen mount bracket
- Extension brackets (for large format > 70" screens)
- Lockable castors
- Column for cable storage
- Perforated front and lockable back panel
- Compatible with VC equipment from most of the leading manufactures including Polycom; Lifesize; and Tandberg

- To customise AVALL COMPLETE for dual screen usage simply add DUAL SCREEN KIT. **AVS/001/DSK**
- To customise AVALL COMPLETE for Blade usage add BLADE VC KIT. **AVS/001/VC2**
